LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Love the Algebra 2 practice book. My project over the Summer is to re-learn with my current semi wisdom and see what more comes to light with a strong Algebra review. Reason I purchased the base book and this workbook is because its used as the foundation for The Great Courses "Algebra II" (expensive but frequently on sale).
