One of the best children's books I've ever read that definitely addresses race and class is A Chair for My Mother by Vera B. Williams. It's a beautiful picture book, told through a vibrant series of watercolor paintings, which recounts a legitimately heartwarming story and deals with some fairly complex social issues all at the same time.

Use children's literature: There's a wealth of children's books that can be read aloud and independently to approach the topic of bias, diversity, and social justice. Whether it's a book about people who are different from your students (window books), an affirmation of their identity (mirror books), or one that exposes bias or shares stories of people who stood up to injustice, reading books is a core part of the elementary classroom curriculum and therefore a seamless way to address ...
