Contemporary Nursing: Issues, Trends, & Management ...

Contemporary nursing issues consider going out of the way to fulfil patient's expectations. At the same time, the hospital management holds nurses accountable for the complaints of the patients. This does not take into consideration whether the nurse was responsible or not. As a result, the nurses are exploited across the globe.

NURSINGTB.COM. The campaign was
designed to convey to the public that
nurses are expert clinicians. A
strategically important part of the
campaign raised consciousness among
nurses of the invisibility of nursing in the
news media.
