Good Bible reading requires initiative (work) and humility (things are not always what they seem at first glance) from our side. How do we understand what we read: the world behind the text. The Bible text did not originate in a vacuum. It was written in a very specific socio-historic context. It's important to look at the world behind the text.

The real meaning of the Bible's Book of Revelation is a popular, ongoing debate. You'll find four major interpretive approaches to the Book of Revelation that can help you read, understand, and figure out the apocalyptic letter of John. Key to understanding commentaries on Revelations is knowing the position of the commentator.
