International TD9 dozer diesel engine | eBay

The International T-9 and TD-9 replaced the unstyled McCormick-Deering T-35 and TD-35. The new models continued the styling theme introduced in 1938 on the big TD-18 crawler. All of the new International crawlers had engine side screens with horizontal silver stripes, matching three silver grille bars dividing sections of red cross bars.

TD9 parked on that service road behind the old house. There's actually an old house in there, now heavily surrounded by Caragana also known as Siberian Pea shrub. its not native to Manitoba the first homesteaders brought it over. The Caragana used as a wind break and snow fencing on property lines to capture moisture for the spring planting.

International Td9 - Steiner Tractor Parts

Im not sure what year your machine is, but I have a 1969 TD9-B series (with Drott loader). It has a 282 Diesel which was a common IH engine. They used it in a lot of different farm equipment, tractors etc (there was a gas and diesel version). If this is what you have, then it is very plentiful and parts are widely available.
