## Read Book Introduction To Ethics Study Guide

Ethics is the reasonable obligation for us to refrain from hurting others, and sometimes an obligation to help others. Living ethically also requires the continuous effort of studying our own beliefs and conduct, and striving to ensure that we, and the institutions we help to shape, live up to standards that are reasonable and evidence-based.

However, what normally motivates the study of Ethics is a deep desire to know what is right and wrong and to be able to consistently apply that knowledge in all aspects of our lives. It would be frustrating, to say the least, to be condemned to go through life guessing at which actions are proper and which not.

### **Introduction to Ethics - Pearson**

According to this view, ethics is not an independent field of study but rather a branch of theology (see moral theology). There is some difficulty, already known to Plato, with the view that morality was created by a divine power. In his dialogue Euthyphro, Plato considered the suggestion that it is divine approval that makes an action good.
