Mapping South America (Book, 2016) [WorldCat.org]

South America is a continent in the Western Hemisphere, mostly in the Southern Hemisphere, with a relatively small portion in the Northern Hemisphere. It may also be considered a subcontinent of the Americas, which is how it is viewed in Spanish and Portuguese-speaking regions of the Americas. The reference to South America instead of other regions (like Latin America or the Southern Cone) has ...

South-up map orientation is the orientation of a map with south up, or at the top of the map, amounting to a 180-degree rotation of the map from the standard convention of north-up. Maps in this orientation are sometimes called upside down maps or reversed maps.. Other maps with non-standard orientation include T and O maps, polar maps, and Dymaxion maps

South-up map orientation - Wikipedia

MAP South Hockey was founded over 13 years ago to provide athletes the opportunity to compete alongside other top players and to be challenged and mentored by elite coaches. The MAP South Hockey development model is fully aligned and supportive of MN Hockey and community based teams.
