President Richard Nixon signed an amendment to the Military Selective Service Act of 1967 (Selective Service Act of 1948) that established conscription based on random selection (lottery).

Selective Service System - Wikipedia

The Nixon White House and the Selective Service System

Online Library Selective Service System 1974

claimed they made a great effort to produce a random result, one that was as fair as possible. Pentagon experts, at the time, estimated that anyone with a number over 200 was unlikely to get drafted.

A draft is the mandatory enrollment of individuals into the armed forces. The United States military has been all-volunteer since 1973. But an Act of Congress could still reinstate the draft in case of a national emergency. The Selective Service System is the agency that registers men and is responsible for running a draft.
