Flight Lessons 1 through 4. A series of stories that trace the life of "Eddie" from Air Force cadet, to Air Force pilot, to Air Force squadron commander, and then repeats the process as a civilian.

Code 7700

A sloppy squawk was followed by implicit accusations of incompetence. We pilots need to remember the mechanics are on our side but simply removing and replacing parts without cause is expensive and time consuming. We should expect the best of intentions on both sides of the squawk sheet and that will pay dividends in the future.

Squawk This! - Code 7700

Aircraft in an emergency, who are not receiving an air traffic service should set the transponder to EMERGENCY (Mode 3A Code 7700) as part of their initial actions. "A pilot may select Mode 3A Code
