Level 3 Apprenticeships - ILM

Organizations have used teams for years with some more successful than others. In a quest to determine why so many teams failed to achieve their goals, team development became a hot topic. The differences between successful and unsuccessful teams were studied, and organizations gradually learned to manage teams more effectively through all the stages of development and contribution.

5 Stages of Team Development - thebalancecareers.com

ensure you are respected by the team as their leader and as someone who will ensure team tasks are completed on time to the appropriate standard. • You are required to describe the principal features of five or more characteristics of effective leaders.
