LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

### Turn Left At The Cow

Turn Left at the Cow is a very hip and witty mystery featuring a fish-out-of-water main character and the quirky individuals with whom he interacts over one Summer. 13 year old Trav, frustrated over his mother's remarriage and lack of time for him, grabs a bus and heads for his long-lost father's family in Minnesota.
